## Little Explorers Preschool

Little Explorers Preschool is an early childhood program serving children ages 3 to 7 years old. We are one of several programs sponsored by the Cerebral Palsy Association of Eastern Massachusetts, a multi-service agency that has served the north shore for 59 years.

Our curriculum and daily activities are planned to meet the developmental needs of each child. Your child will participate in a fun-learning environment that will help prepare them for kindergarten. The curriculum allows children to explore colors, shapes, early literacy, numbers, and our community. Fostering children's natural curiosity and encouraging independence are also an important part of Little Explorers Preschool

## Tuition Information

Tuition for the preschool is \$36.00 per day. We accept child care vouchers from the Child Care Circuit. First and last weeks' tuition payment is due upon enrollment.
